The Samaritan's Purse - Canada is audited annually by an independent public accounting firm, and our financial statement is available upon request. Our Board of Directors has established the policy that all contributions designated for a specific project shall be applied to that project, with up to ten percent to be used for administering the gifts if needed. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us, so that Christ is lifted up and the Gospel is advanced.
