

**TURN
ON THE
TAP**

CHALLENGE

HOW DO I REGISTER TO TAKE PART?

Contact the challenge organizer in your area to learn the registration procedure. In some cases, registration will be at the challenge location. Download your donation form from the Safe Water Challenge page at turnonthetap.ca and be prepared to bring your donations and completed donation forms to the event.

IS THERE A REGISTRATION FEE?

No.

DO I/WE NEED TO GET DONATIONS?

Yes. While we want as many people as possible to take part and enjoy themselves, the ultimate goal is to raise as much money as possible to help bring safe water to families in the developing world. Please aim for at least \$100 per participant because each \$100 raised will enable Samaritan's Purse Canada to provide another family with safe water through a BioSand Water Filter.

WHERE DOES THE MONEY RAISED GO?

All proceeds from Safe Water Challenges go to help families in the developing world get safe water through the Turn on the Tap campaign. In most cases, that means BioSand Water Filters and health & hygiene education.

WHAT IF I RECEIVE DONATIONS AFTER THE CHALLENGE IS OVER?

You can ensure the donations get to us by mailing the funds (cheques and money orders only please) and donor(s) contact information to:

Samaritan's Purse Canada
20 Hopewell Way NE
Calgary, AB T3J 5H5
