

**TURN
ON THE
TAP**

**TAKE THE
SAFE**

**WATER
CHALLENGE**

AND HELP IMPOVERISHED FAMILIES GET SAFE WATER

IT'S A FUN AND FUND-RAISING DAY—AND WE WANT YOU TO TAKE PART.

Every 20 seconds, a person in the developing world is dying from diseases caused by drinking contaminated water. The Turn on the Tap Challenge is one way to address this. Have fun at our fund-raising event and help improve and even save the lives of people in the developing world.

VISIT TURNONTHETAP.CA FOR MORE INFORMATION AND GET READY TO TAKE THE SAFE WATER CHALLENGE.
