PROJECT LAUNCH

Decorations:

- Display preprinted shoeboxes in your lobby.
- Set up a table where people can receive more information and resources.
- Take out your Christmas decorations early, and set up an Operation Christmas Child-themed tree.
- Hang up a world map or country flags.
- For other display ideas and resources, view the Project Leader resource page at samaritanspurse.ca/occ-project-leader.

Consider these options for churches:

- Ask your pastor to consider preaching a missions-related sermon.
- Ask your worship leader to plan music that centers around missions or God's love for the nations.
- Ask your children's ministry director to incorporate Operation Christmas Child into activities and lesson plans. Point them to our [Family and Children's Resources](#) for fun videos, coloring sheets, and prayer resources to teach children about the importance of sharing the Good News of Jesus Christ with those both near and far.

Consider these options for other groups:

- Work on a craft together to include in shoebox gifts. For ideas, visit our pages on Pinterest.
- Host a special speaker such as an Operation Christmas Child volunteer. Contact your regional office to place a request.

Welcome Script:

When you turn on the news, it is easy to get discouraged with all of the challenging things that are happening in the world. But God is still good, and He is still at work! Take a look at this video to see how a simple shoebox gift is changing the lives of so many children.

Where there once was darkness, there is now good news and great joy!

Impact Script (Goal Reveal):

Last year alone, Samaritan's Purse delivered millions of Operation Christmas Child shoeboxes to children around the world. God used these simple gifts to change the lives of many boys and girls and their families. After the outreach events where children received their shoeboxes, many went on to enroll in The Greatest Journey discipleship program. These children were discipled by trained local teachers, and they are now enthusiastically sharing the Good News of Jesus Christ with others. Simple shoebox gifts, packed with love and prayer, are tools for evangelism and discipleship in over 100 countries. Local pastors across the globe are thankful for the opportunity these shoeboxes provide to spread the Gospel in their communities.

We are so excited to share with you that after much prayer and in great faith, we set our church's shoebox goal at _____ shoebox gifts for this year.

We believe that God wants to use [*church name*] to send Operation Christmas Child boxes to children all over the world. We need you to join us as we pray, pack, and ship these gifts.

Wrap-up Script:

You can see why we're so excited about Operation Christmas Child! Stop by the [*table/display*] in [*location*] to get more information on our goal, learn how to pack a shoebox with your family, and discover other ways to get involved. This is a great chance for us to grow in our faith and in our relationships as we work together, pray together, and pack together to reach our goal. I believe that God wants us to be a small part of sharing His love with boys and girls in need and growing churches around the world. So, go pack a shoebox!
