

PROJECT MANAGER

Samaritan's Purse is a Christian international relief organization providing spiritual and physical aid to hurting people around the world. Since 1970, Samaritan's Purse has helped meet the needs of people who are victims of war, poverty, natural disasters, disease, and famine with the purpose of sharing God's love through His Son, Jesus Christ.

Samaritan's Purse Canada (SPC) is seeking to fill a Project Manager role, with an individual who will be responsible to provide project development input, capacity building, implementation support, and general management for assigned international humanitarian aid projects. This role will inform, assess and evaluate project proposals based on partner capacity, sectoral best practices, financial viability and the organization's charitable purposes to aid in spreading the Gospel and to serve the Church of Jesus Christ. This role will also provide ongoing project oversight through regular communication with partners and frequent field visits to projects in order to stay apprised of project progress and ensure that project outcomes are being achieved. The Project Manager will share lessons learned with department colleagues who contribute to ongoing development of projects. As an integral member of the Programs and Projects, this role will help SPC carry out its mission and objectives through participation in daily prayer ministry. The successful candidate will fulfill a full-time one year contract position in the Calgary office

Qualifications:

- Qualified applicants should be committed to Christian values and precepts and be in agreement with the Samaritan's Purse Statement of Faith.
- Knowledgeable of development issues and related theology and missiology
- Undergraduate degree in a related field (Project Management, International Business, International Development)
- Minimum 5 years' experience working in a direct relief and development environment with at least 2 years' working overseas
- Experience with monitoring and evaluation of international humanitarian aid projects
- Strong comprehension and understanding in Result Based Management frameworks
- Experience with proposal writing and program development
- Ability to understand and work with people in other cultures and where English is not a primary language
- Detailed oriented, thorough, and accurate
- Ability to manage, multi-task, organize, and prioritize
- Ability to work independently with little supervision, while being in an open team environment
- Knowledgeable in Microsoft Office Suite computer application
- Ability to speak/read/write Spanish as a second language
